Government observe that the existing arrangements for making remittances from the Palace are unsatisfactory. When payments are required to be made at Bangalore the Palace Controller sends the money to the Mysore District Treasury and obtains P.S.T. Receipts on the State Sturgeon the Bangalore District Treasury and forwards them to the Payees. For payments outside the Province, the practice is usually for the Palace Controller to apply to the Govt. Comptr. who obtains from the Madras Bank the required Cheques or drafts. Both these arrangements are inconvenient and often involve delay. It is necessary that the Palace Controller should be enabled to obtain funds independently for such Palace transactions and Govt. therefore direct that a credit to the extent of a lakh every 6 months, be opened in the Bangalore Branch of the Madras Bank in favour of the Palace Controller, on which he can operate independently.

The Comptr. will, in communication with the Bank, arrange to give effect to this order from the next official year and to renew the credit [illegible]

For the supply of funds at Mysore the Palace Controller obtains letters of credit from the Govt. Comptr. on the
